Sam Moore  
@sdawg

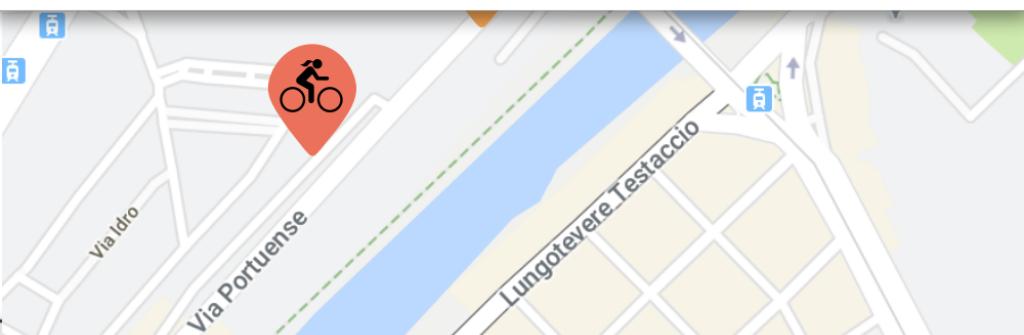

I was studying abroad in Rome and was able to purchase a commuter bike for 60 euros and Simone Cicli bought it back before I left the country.

John Barthell  
@Johnbarthell

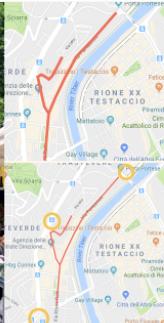

There was no racing bikes available. But there were bikes with gears... these bikes were described as "speed".

## Rome - Running ID

The summer weather reaches 32°C and is hot and dry. Mornings and evenings are the most popular times to run because of less crowds and cooler air. Running in Rome offers being on historical ground, archaeological remains, and along works of art.

### Tiber Path

The path is away from cars, scooters, and intersections that creates a more relaxing experience. The East Bank route stretches 32.7 kms (20.3 miles) which starts in the suburbs, passes some of Rome's historic sites, and heads toward Ostia Antica.

## Boulder- Running ID

There are over 150 miles of hiking trails, multi-use trails, and soft surface trails in Boulder. It's always a good day to run because of the 360 days of sunshine. Boulder is located at the base of the foothills of the Rocky Mountains at an elevation of 5,430.

### Bobolink Trailhead

Located west of the intersection of Baseline and Cherryvale Roads. Dogs are prohibited south of S. Boulder Road. Connects to South Boulder Creek and Centennial trails. It's a low grade and soft surface trail.
